Re: ET 05-24

Dear Ms. Dortch:

On October 24, 2005, the undersigned spoke to Catherine Bohigian, acting Chief of the Office of Strategic Planning and Policy Analysis for the FCC regarding the above-captioned matter. We discussed NAB/MSTV's position that advancing the DTV Tuner deadlines to a date as early as practical would serve the public interest. NAB/MSTV believe such action is essential to advancing the transition to digital television.

In accordance with 47 C.F.R. § 1.1206, a copy of this letter is being filed electronically in the relevant docket. Please contact me if there are any questions.

Respectfully submitted,
